

**"Our vision for 2025
is to see hundreds of lives
transformed by Jesus
with a vibrant church
community of 1,000 people
as we release missional
disciples and intentionally
invest in Families, Children
and Youth."**

Cromer Church 2025 Vision

- **A vision for Mission - to grow missional disciples;**
- **a vision to see lives transformed with Jesus Christ;**
- **a vision of a church without walls - welcoming everyone in, and sending everyone out;**
- **a vision of church not as somewhere we go, but where church is 'who we are';**
- **a vision for the future - future years and future generations;**
- **and a vision for Cromer and beyond - laying the foundations for mission to North Norfolk in preparation for all God wants to do beyond 2025.**

CROMERCHURCH
transforming lives with Jesus Christ

CROMER CHURCH 2025 VISION

Transforming lives with Jesus Christ

Our vision for 2025 is that people will see a...

Committed Church

Each person taking responsibility for living lives that are increasingly dedicated for God and His Kingdom.

Disciple-making Church

Everyone growing as a follower of Jesus through an intentional pathway for making disciples who make other disciples, with clear growth opportunities whatever their stage of faith.

Vibrant Church

Full of life, joy, love, hope and expectancy – passionate about Jesus, full of the Holy Spirit, and overflowing with the greatest news there is.

Growing Church

Increasing numbers of people coming to faith in Jesus Christ, so the church grows to 1,000 people.

Missional Church

Passionate about mission, with a gospel urgency and intentionality in our relationships - everyone equipped, released and supported in mission.

Where we are organised around Missional Communities in order to grow missional disciples, and Larger Congregations of a variety of styles, on a variety of days in a variety of places, all with a mission focus.

Focused Church

Prioritising our mission by investing in Families, Children and Youth in order to win new generations for Jesus Christ.

Valuing and releasing our older generations to invest in those younger than themselves, so leaving a lasting legacy.

Story-telling church

Where people can't stop sharing stories of lives transformed by Jesus.

Relational Church

Where we are known more for the presence and impact of our people, than the presence and use of our buildings.

Where we are so involved in our community, that every individual living in Cromer has a relational connection with someone from Cromer Church.

Authentic Church

Genuinely living life together in smaller communities, modelling Jesus in authentic relationships - sharing the highs and the lows, the encouragements and the challenges, the successes and the failures - drawing others in to a distinctive way of life.

Praying Church

Where prayer is such a natural part of our life, that it is the first thing we do, not the last, on the streets as much as in church, and seeing God answer in supernatural ways.

Quality Church

Where people are struck by the quality of what we do, giving people an experience of God that reflects the quality of His care and love for us.

Generous Church

People giving sacrificially and generously of their time, their skills and their money, investing for growth.

Serving Church

Where we partner together with local churches to bring genuine change to the least and lost in our community, engaging those on the margins of society and of traditional church.

Transforming Church

The town of Cromer and the surrounding area visibly changed with Kingdom values, through the power of the Holy Spirit, as we are in, with, alongside and for our community.

Our facilities serving our Purpose - to transform lives with Jesus Christ – with a Worship and Prayer Hub (a flexible, modern space within a beautiful historic building), a Central Hub (contemporary, purpose-built facilities in the heart of our community, with an inspiring 'Families, Children and Youth Centre' and central offices driving church life) and a Mission Hub in Suffield Park (meeting real community needs for all-ages and providing a smaller worship environment for new missional congregations).

Influential Church

Developing a leadership culture where everyone is released to have Kingdom influence wherever they live, work, volunteer or play.

Where we focus on growing leaders with specific responsibilities in the church, the community, the world and for future generations.

Resourcing Church

Serving the wider area of North Norfolk and beyond with Kingdom concern - running events together, sharing resources, releasing leaders, and planting new congregations and churches.

Church for all

A church for everyone and anyone to have their needs met, their questions answered and their lives transformed; finding forgiveness, acceptance and a home in God's family.
